### DESCRIPTION

Cable pulling sleeve with loop. Made of flexible, robust and galvanised double steel mesh.

The re-braided cable pulling sleeve end offers a higher standard of safety. The cable pulling sleeve series with loop is perfectly suited in combination with the RUNPOTEC pulling ropes and the cable pulling winch CW 800 E. RUNPOTEC recommends using the specially developed connecting swivel made of high-quality stainless steel for permanent tension.

Highest quality materials with a long service life!
