DESCRIPTION

The compact X BOARD XB 500 is a universal professional cable drum winder and unwinder for all types of cables and pipes (conductors, cable rings, cable drums, conduits, ropes and cable drums).

It enables trouble-free and rational working without tangled cables.

The X BOARD XB 500 can be loaded up to 800 kg and is suitable for almost any type of drum.

Especially suitable for damaged cable drums.

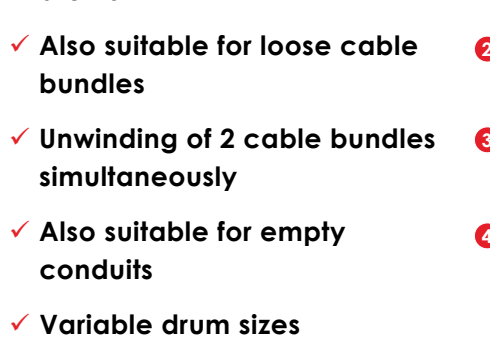

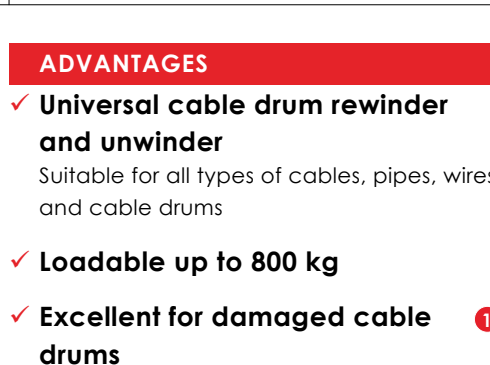

The height-adjustable cover is perfectly designed to secure loose cables, cable rings or pipes in the X-BOARD XB 500, thus preventing uncontrolled cable unwinding.

12 rubberised feet ensure a non-slip and stable base. Optimal for protecting surfaces for already finished floor coverings.

Application movie: You can watch a short, very informative application movie by scanning the QR code (top left) or on www.runpotec.com.

Scope of delivery: 1 piece X BOARD XB 500 incl. X BOARD mandrel
