DESCRIPTION

The system case with UNIVERSAL case insert offers space for storing a RUN-PO5, an X-BOARD XB300 cable drum dispenser, a multi mandrel attachment or a cable lubricant (spray, foam or gel) and cable pulling sleeves. One advantage is the fast click system, which allows the boxes to be connected to each other without effort and disconnected again at the push of a button. The boxes are easily stackable thanks to the quick click system.

The W-BOXX can be seamlessly integrated into the Sortimo Globelyst system.

The high-quality and lightweight W-BOXX made of PP plastic is impact and shock resistant and splash-proof.

Scope of delivery: 1 piece system case with case insert (without contents)
