DESCRIPTION

„The XB mandrel serves as an extension of the existing stainless steel mandrel and enables the secure centring of cable reels with a larger reel core diameter. Installation is quick and straightforward by simply slotting it onto the existing mandrel. This allows different drum sizes to be used flexibly with the XB Cable Roller.

Suitable for the XB 300, XB 500 and XB 500 T Cable Roller

Scope of supply: 1 x XB mandrel

ADVANTAGES

- Widening for centering larger drums
- Suitable for XB 500 T, XB 500 and XB 300 Cable Roller
