DIMENSION	H 100 x Ø 290 mm
DIAMETER Ø	XB 300: Ø 300 mm; Multifunction mandrel: Ø 430 mm
LOAD BEARING CAPACITY	300 kg
WEIGHT	1,75 kg
EAN-CODE	9120045475685

DESCRIPTION

The compact XB 300 cable roller is a universal cable winder/unwinder for all small to medium cable reels. The XB 300 impresses with its small, light and flat design, but can still be loaded up to 300 kg.

Especially suitable for damaged cable drums.

Due to the removable mandrel, cable drums with different hole sizes can be used. The multifunction mandrel has been specially developed for the XB 300, XB 500 and XB 500 T cable rolling systems. Loose cable bundles can also be rolled by attaching them to the stainless-steel centre mandrel and then folding out the 4 side brackets. 6 rubberised feet ensure a non-slip and stable base. Optimal for protecting surfaces for already finished floor coverings.

Optimum area of application: XB 300: rolling of (damaged) cable drums up to max. 300 kg and loose cable bundles or individual wires up to a max. height of 294 mm and a max. diameter of 430 mm

Application video: a short, very informative application video can be viewed by scanning the QR code or on www.RUNPOTEC.com.

Scope of supply: 1 x XB 300 cable roller, 1 x multifunction mandrel
