PRICE €	€ 148,00
DIMENSION	Ø 560 mm x H 150 mm
LOAD CAPACITY WITH XB 500 T	80 kg
WEIGHT	4,80 kg
EAN-Code	9120045476378
MATERIAL	Special plastic

DESCRIPTION

The XB 500 APR - Adapter plate - Roller can be connected to the XB 500 or XB 500 T professional cable roller. This enables optimal unwinding and rolling of pipe, cable bundles or cable drums. The adapter plate can be quickly connected to the XB 500 or XB 500 T and separated again using the fixing brackets and the quick-release lever on the underside. Thanks to the four transport rollers with parking brake on the underside of the adapter plate, the combination can be moved effortlessly on smooth surfaces or held in a desired position. In this combination, the XB 500 and XB 500 T can hold up to 80 kg.

Optimum field of application: for movement on smooth surfaces or holding a desired position

Application film: You can watch a short, very informative application film by scanning the QR code or at www.runpotec.com.

Scope of supply: 1 x XB 500 APR - Adapter plate - Roller incl. 4 transport rollers with parking brake

ADVANTAGES

- 4 transport rollers with parking brake for movement on smooth surfaces
- Fixing the desired position with 4 parking brakes
- The XB 500 or XB 500 T can be quickly connected and disconnected using the fixing brackets and the quick-release lever
- In combination with XB 500 and XB 500 T, loadable up to 80 kg
